### Online Building Permit Application

Here you can apply for a building permit, submit and update information, pay fees, schedule inspections, track the status of your permit application, and print your final permit.

#### IMPORTANT NOTE!

1. All building projects may be submitted online. Many requiring a plan review are temporarily assigned an APPR case number until final fees are determined and a permanent building permit number is assigned. In all cases, building permits are subject to the same conditions as are contained in hard copy building permit applications.
2. Commercial Air Conditioning/HVAC change outs, including Apartments and Condos, require both mechanical and electrical disciplines to be checked.

Submittal instructions are [Click Here](#)

#### Applications MUST be signed to be accepted!!

Please download application using 'Save As' and name 'xxxxstreetname app', Complete the form and sign it, then return to our website and add where directed. Filling out the form does not automatically save it to the system.

**Step 8: Pay Fees**

Please select a payment method and then fill in all required information.

**Note:** There is a convenience fee associated with processing payments on-line. This is not a fee imposed by the County and the County does not receive any portion of this fee. The fee is charged by the payment processing vendor as follows: Credit Cards: The current rate is calculated at 2.29% of the total fees due.

The County will assess a penalty of \$44.00 on checks returned for NSF (Non-Sufficient Funds).

If there are any errors during the payment:

Do NOT attempt to make the payment again without first contacting Building Inspection at (916) 875-5296.

If the fees appear to be out of the ordinary or too high, please do not pay and contact us at 916 875 5296.
